

# Cremation Options & Authorization

**100% Private - \$325.00 regardless of size up to 100lbs.**

The cremation takes place 100% privately. Only your pet is inside the entire Crematory. Completely alone. Cremation Starts as soon as possible. Your pets ashes are placed inside a dark wood urn, then inside a velvet urn bag. (Optional engraving \$75.00)

## Pets Over 100 lbs. - From \$375.00

Any pet over approximately 100 lbs. is cremated fully privately, due to the extra challenges and strain on our equipment. Below is our cost breakdown for Large animals.

100 - 130 lbs. \$375.00	130-180 lbs. \$425.00
180 - 210 lbs. \$550.00	210+ lbs. \$650.00

**Semi Private - Under 35 lbs. \$195.00**

**36 lbs. - 99 lbs. 245.00**

The cremation takes place with a maximum of 3 pets inside. Each pet is kept separated by several feet and a physical concrete barrier. Ashes are swept out separately and placed into a simple plastic container. Ashes are ready within approx 3-5 days.

## **Simple / Group Cremation - No Ashes Returned**

The cremation takes place with several pets in a shared crematory. No dividers are used and the ashes are collected together. Ashes are scattered by PCS staff in a private forested plot of land in northern MN.

**Under 35 lbs. \$125.00      35 lbs. - 99 lbs. \$155.00**

I agree to have Pet Cremation Services of Minnesota cremate the remains of my pet. Any bedding/blankets/collars/crates or similar items must be taken at the time your pet is brought to into our care, otherwise we will dispose of them immediately. Metal left on or inside your pet is not recoverable and will be disposed of. I will come back to pick up my pets ashes in a timely manner. If I do not come back for over 6 months, I allow Pet Cremation Services of Minnesota to scatter the ashes, and hold them harmless of any and all claims to the remains.
